MEMORANDUM

At Defendant's original sentencing hearing, his base offense level was 76 given the quantity of crack cocaine for which he was held accountable. Moreover, Defendant's criminal history category was determined to be IV. A combination of these two Guideline determinations yielded a sentencing range of 70 to 87 months imprisonment. Defendant was then sentenced to serve 70 months in prison, consecutive to 60 months for his conviction pursuant to 18 U.S.C. § 924(c).

On December 11, 2007, the United States Sentencing Commission authorized the retroactive application of Guideline Amendment 706 to all defendants who met certain eligibility criteria. On February 15, 2008, counsel for the government, representatives of the United States Probation Office and undersigned counsel met to consider the merits of Defendant's case. All agreed to recommend to this Court that Defendant met the Commission's eligibility requirements for the retroactive application of the Guideline Amendment 706 to his case.

After the November 1, 2007 crack amendment is retroactively applied to this case, Defendant's base offense level is reduced to 24. This reduction yields a new advisory sentencing range of 60 to 71 months. Finally, the parties jointly recommend that this Court reduce Defendant's sentence to 60 months, consecutive to 60 months on his conviction of violating 18 U.S.C. § 924(c). The recommended sentence is the statutory mandatory minimum..

In arriving at this recommended sentence, the parties ascertained the point in the original Guideline range where Defendant was first sentenced as well as the extent of any downward departure due to his substantial assistance, if applicable. Finally, the parties also considered unique facts about both Defendant's case and behavior while incarcerated to conclude that his early release did not present a danger to the safety of the public.

For the reasons articulated herein, Defendant Troy A. Allen, through undersigned counsel, herein moves this Court for an Order reducing his sentence to 120 months. Defendant has been apprised of this proposed agreed resolution and this motion is submitted with both his knowledge and authorization.

Respectfully submitted,

STEVEN S. NOLDER
